The BOSSCOM HDMI 1.4 V is a high quality HDMI™ standard digital AV interface cable built according to, and fully compliant with the specification for the High-Definition Multimedia Interface (HDMI™).

Offering exceptional performance and value for money, The HDMI delivers clear sharp images, accurate color definition, vivid contrast and lots of fine detail. Sound from DVD and DVD-Audio is pristine.

The applied materials in The HDMI are halogen free and provide a long term stability of the cable's mechanical and electrical properties.

These HDMI cables are equipped with removable plug which can easily be snapped off, to ease the trunking.
